

VAN DAM 50

A RARE OPPORTUNITY TO OWN A VAN DAM LEGACY

Commissioned privately and now offered at approximately 60% completion, the VAN DAM 50 presents an uncommon opportunity to step into a 50' Van Dam already in progress.

Refine layout, materials, and level of finish while preserving the advantage of an accelerated path to delivery, along with significant financial savings.

EXTERIOR CONCEPT

DESIGN DIRECTION

Inspired by icons such as the Chris-Craft Constellation and classic Trumpy yachts, this vessel reflects a time when elegance defined the water. Beneath her timeless lines, advanced wood composite construction ensures superior strength, longevity, and technological capability.
